TEXT: Christ in the New Testament

TOPIC: Jesus invites you to be his disciple. He wants you to know him better, to understand his message, and to follow his way of life. During this course of study, you will explore God's Word in the New Testament.

Faith of a Seventh Grader: Twelve -to Fourteen-year-olds are able to think more abstractly than in previous years. They now have the capacity for critical reflection on their faith experiences. Faith tradition and moral guidance of the Church offers this age group the structure and security they need during this turbulent time.

Please Note: As participants in Fridays, Faith and Family, it is expected that your family will make every effort to attend every session and will keep up with the assigned lessons to be completed "at home, before next month." If not, a large portion of information necessary for continuing faith formation is lost. Irregular attendance and assignments that are left incomplete will automatically prevent your family from participating in FFF next year. If you find this too difficult to adhere to, please speak with Linda as soon as possible.

Community Service - A very important component to our program is Community Service. Each year our 6th, 7th & 8th graders are required to perform 10 hours of community service. Any service performed between April 1, 2016 and March 31, 2017= will count. Hours are to be recorded and handed in to your catechist on a monthly basis. Specific opportunities are frequently forwarded via email. You also need to be responsible for finding opportunities on your own.
