Please Note: As participants in Fridays, Faith and Family, it is expected that your family will make every effort to attend every session and will keep up with the assigned lessons to be completed "at home, before next month." If not, a large portion of information necessary for continuing faith formation is lost. Irregular attendance and assignments that are left incomplete will automatically prevent your family from participating in FFF next year. If you find this too difficult to adhere to, please speak with Linda as soon as possible.

Community Service - A very important component to our program is Community Service. Each year our 6th, 7th & 8th graders are required to perform 10 hours of community service. Any service performed between April 1, 2017 and March 31, 2018 will count. Hours are to be recorded and handed in to your catechist on a monthly basis. Specific opportunities are frequently forwarded via email. You also need to be responsible for finding opportunities on your own.
