**The Faith of a First Grader:** On a journey of faith, first graders are active learners who want a sense of consistency and ritual. They learn through discovery, movement, and active involvement. You can expect your first grader to:

- Delight in Bible stories and interpret stories literally
- Understand right and wrong based on consequences of fairness
- Appreciate prayer experiences, ritual, and ceremony
- Experience life with wonder and awe
- Recognize Church through the experiences of home and parish
- Grow in religious imagination, imagining God as human.

This calendar of lessons is being provided to you so you will know what will be discussed each week. It will also guide you in completing lessons at home if your son or daughter is absent.
