

**ASSUMPTION RELIGIOUS EDUCATION
THIRD GRADE CALENDAR OF LESSONS 2018-2019
FRIDAYS, FAITH & FAMILY**

TEXT: Be My Disciples

The Faith of a Third Grader: In their journey of faith, third graders enjoy learning about the heroes of the Bible and the stories of the people of God. Because they value the attitudes and habits of important adults in their lives, learning about virtues and moral habits is critical at this stage of faith formation. Third graders begin to realize that true happiness comes from knowing and loving God. You can expect your third grader to:

- Appreciate and want to participate in the community dimension of sacramental celebrations
- Enjoy having a role in liturgical experiences
- Delight in learning about Biblical saints and persons of faith in the Church
- Relate to saints as role models who stand for morality, justice and faith
- Like to participate in community service

This calendar of lessons is being provided to you so you will know what will be discussed each month. It will also guide you in completing lessons at home if your son or daughter is absent.

Please Note: As participants in Fridays, Faith and Family, it is expected that your family will make every effort to attend every session and will keep up with the assigned lessons to be completed "at home, before next month." If not, a large portion of information necessary for continuing faith formation is lost. Irregular attendance and assignments that are left incomplete will automatically prevent your family from participating in FFF next year. If you find this too difficult to adhere to, please speak with Linda as soon as possible.
