

ASSUMPTION RELIGIOUS EDUCATION
Fifth Grade 2018-2019 Calendar of Lessons
Mondays 4-5:30 p.m.

TEXT: Be My Disciples

The Faith of a Fifth Grader: On their journeys of faith, fifth graders want to belong and relationships are important to them. These young persons are growing spiritually in their prayer lives, their sense of right and wrong, and their ability for deep religious feelings. This is a formative time in their lives, especially in their relationships with Jesus Christ and the Church. As these relationships are developed, so are their responses to the call of discipleship. You can expect your fifth grader to:

- Have an increased ability to distinguish between right and wrong
- To have a greater sense of justice
- To enjoy service activities
- To have a heightened awareness of the Church as a community of believers
- To have a heightened understanding of the Sacrament of Penance and Reconciliation
- To desire to participate in liturgy in a more meaningful way
- To enjoy group prayer experiences
- To be interested in learning more about the human life of Jesus
- To be attracted to role models through the Saints and Bible stories

This calendar of lessons is being provided to you so you will know what will be discussed each week. It will also guide you in completing lessons at home if your son or daughter is absent.
