TEXT: Signs of Grace: You Are Forgiven; You Are Loved

The Faith of a Second Grader: On a journey of faith, second graders especially enjoy learning through Bible stories. They interpret stories literally with little symbolic meaning. They embody a natural sense of wonder, which fosters sensitivity to the sacred. Their hearts are touched through prayer experiences. They have a strong spiritual sense about God and imagine God as a human person. This is an exciting time to watch children grow in their relationship with God as they learn that God is “rich in mercy” and has infinite love for them. You can expect your second grader to:

- Delight in Bible stories and interpret stories literally
- Appreciate prayer experiences, ritual, and ceremony
- Experience life with wonder and awe
- Grow in their understanding of community
- Grow in their religious imagination
- Imagine God as human
